THE PASTOR'S MESSAGE

As I write these words to you as the Peru congregation, we are beginning our third year together as pastor and people. During the previous two years, 1964-1965, 1965-1966, the pastor has worked hard in Spiritual effort in effecting a united, co-ordinated Church unit in both worship and its closely related companion, service, in the life of our Christian fellowships.

This message is one of challenge, encouragement, and direction to each and all of you. As you review and survey the pages of this directory, it is my hope and prayer that you will see us as one Body of Christ, with one Lord, one faith, one baptism, one God and Father of us all. It should do something to everyone in the Peru Church of the Brethren to witness pictures of the organizations, classes, and families together in one combined directory. As you see yourselves and others here on these pages, let it be both a reminder of what you might have accomplished in past years for Christ and the Church here . . . but let it also be a challenge for you to serve even more diligently in the year and years ahead!

The year of 1966-1967 will be a great and good year . . . if we let God help us make it so! It can be a year of deepened worship, of dedicated study, of determined witness, both within and without the confines of our local group. In the spirit of the Brotherhood theme, "God Loves the World, So" . . . let us put self interests aside and seek thru the Divine aid of our Lord to become more faithful Ambassadors every day of our lives that is yet to come!

Your pastor,

Daniel C. Flory

The Benton Street parsonage was completed on September 30, 1923. The Aid Society of the ladies was founded on December 23, 1913; it is the oldest organization of the Church.

Helman, Glenn Garber, Joseph Elliot, Charles R. Oberlin, David Landis, Perry Coblentz, Wayne Lawson, Ellis Angle, Goldie Killion, John B. Wieand, Fred Hollenberg, Howard Keim, Carl Showalter, Warren Angle, Philip Geberin, Michael Bullock, Harold Sonafrank, John Earl Sonafrank, John Hoffman, and Daniel C. Flory.

Our Church has been started by a Class, the Bethany Soul Winners, from this Church. The Bloomfield Church program was initiated in May, 1938. The present Church plant construction was begun in April, 1958, and the building completed in May, 1959.
